

## **Catalog of Postgraduate Programs and Curricula**

### **Curriculum for PhD(NSNT) (For students admitted in 2010-11)**

---

---

#### **Program Requirements for Doctor of Philosophy (PhD) Program in Nano Science and Technology**

##### *Credits*

1. Students admitted with a bachelor's degree only are required to complete **at least 15 credits** of PG courses, of which at least 6 credits must be from the NANO courses.
2. Students entering the program with a relevant master's or equivalent degree may be granted credit transfer up to 6 credits by the Program Director based on their background in the related subject areas. They must complete at least 3 credits of the NANO courses.
3. To take NANO 601 *Advanced Topics in Nano Science and Technology* at least once.

##### *Qualifying Examination*

To pass a qualifying examination.

##### *Research and PhD Thesis Examination*

1. To conduct research and enroll in NANO 799 *Doctoral Thesis Research*; and
2. To defend the PhD thesis successfully.
