

a. General Requirements of COVID-19 Vaccination Proof

The document must be in English or Chinese. Document not in English or Chinese must be accompanied by officially certified English/Chinese translations, e.g. stamped and signed by students' home institution.

HKUST would accept proofs that are issued by local government, healthcare institution or other recognized institution of the places where the student received COVID-19 vaccination.

b. Students who have Completed All Required Dose(s) of the Vaccine

The vaccination proof should include the following information:

- Full name of the student (as printed on identity document)
- Vaccine name
- Vaccination date(s)
- Vaccine dose(s)
- Government/Institution of Issuance

c. Students who have Recovered from Previous COVID-19 Infection and Received One Dose of Vaccination

Students need to provide the following:

- Vaccination proof including the information mentioned above
- Proof of previous COVID-19 infection that includes the information below (e.g. doctor's certification/letter or hospital's discharge summary)
 - o Full name of the student (as printed on identity document)
 - o Date of document/recovery
 - o Hospital/Institution of Issuance
